

About Us

Ai-Hankao is an educational organization founded in 2009 in Sialkot, Pakistan, by Dr. Muneeb Bukhari, the first Pakistani alumnus of Hubei University of Chinese Medicine, Wuhan.

With the vision of creating transparent and reliable study abroad opportunities, especially in the field of medicine, Ai-Hankao has supported over 3,500 medical graduates from 23 nationalities across South Asia and Africa who are now serving their nations with dignity and professionalism.
